Did you happen to ask Kathy about the remaining useful life issue while you had her on the phone?

I just called Cathy (as I'm bored sitting in the airport) and told her the same thing (email to you and me). She may call you directly as she asked if the attachment could still be submitted through the e docket. I assume that link is closed.

I will call Cathy and let her know she can send it to Carl by e-mail and then I will have Abby upload it.
